Goals and Results	

Vision

Lively Technical College will be an engaging, safe and respectful learning environment that embraces change and produces high academic achievers who appreciate diversity and become conscientious contributors to our society.

Mission

The mission of Lively Technical College is to provide career oriented education to the community.

Our Beliefs:

- We aim to be the first choice for community career and technical education.
- Through education, we will contribute to the betterment of our society.
- Students will be able to enhance their lives through our educational offerings.
- We will support diverse learning styles.
- Industry driven instruction will be the standard for our programs.
- We will support student, community, and institutional goals.

2019-2023 Goals, Outcomes, Strategies & Measurable Indicators

Goal 1 — To prepare students to be successful in school

Desired Outcomes/Objectives	Strategies	Measurement Indicator/ Evaluation
All students enrolling at Lively Technical College will be prepared to begin their desired program.	Dissemination of relevant information.	Percentage of students enrolling that need remediation.
All enrolled students are provided a quality education.	Valuable, structured program- based Instruction.	Number of students meeting state approved criteria and served by quality programs. (OCP Completions)
Increase student awareness of the expectations for their program area.	Informative student syllabus and progression plans.	Increase program awareness as determined by student surveys.

$\label{eq:Goal 2-To increase student attainment of high standards and significant completion of program areas$

Desired Outcomes/ Objectives	Strategies	Measurement Indicator/ Evaluation
Increase the percentage of students completing a career and technical program in attaining successful employment.	Utilization of the Placement Center and Student Services staff.	The percentage of enrolled students completing career certificate programs and successfully obtaining employment.
Increase student's obtainment of industry certifications and licenses.	Add additional certification opportunities within programs.	The percentage of students completing program assigned industry certifications and passing licensure exams.

${\it Goal~3-To~provide~fully~qualified~teachers, administrators~and~staff}$

Desired Outcomes/ Objectives	Strategies	Measurement Indicator/ Evaluation
All teachers are fully certified and possess the proper credentials.	Use hiring procedures designed around attracting qualified applicants.	The percentage of teachers meeting district certification requirements.
School administrators are fully certified and rated as effective instructional leaders by teachers and staff.	Issuance of school climate surveys.	School administrators receive a positive response on school climate surveys.
All instructional and administrative staff demonstrate appropriate communication and technology skills ensuring effectiveness in their areas of responsibility.	Implementation of effective professional development opportunities.	Individual staff professional development transcripts.
All staff participates in high quality individual and group professional development activities and/or learning communities that are evaluated in terms of their impact on teacher and student performance.	Implementation of effective, relevant professional development opportunities.	Individual staff professional development transcripts.

Goal 4 — To create a positive and safe environment free of drugs and alcohol

Desired Outcomes/Objectives	Strategies	Measurement Indicator/ Evaluation
Reduce inappropriate and/or disruptive behavior.	Utilization of disciplinary referrals and issuance of DAAPP Plan.	Data from School Safety Report.
The school is attractive, safe, sanitary and free of all hazardous conditions.	Campus evaluations (administration and district observers).	Number of recurring citations in annual safety report.
The school safety plan is reviewed and updated with staff annually.	Collaborative decision making process.	Percent positive ratings from School Climate Survey. Addressed in faculty & preplanning meetings.
Accidents and injury occurrences at the school are reduced annually.	Utilization of accident and injury forms and administration documentation.	Number of accident and injury claims filed with Risk Management.
Effective/quality school surveys show high (80%) or increased ratings of school leadership, high expectations, student progress, a positive climate and effective communication ensuring the physical and emotional safety of students.	Effective communication efforts, collaborative decision-making process, and effective instruction methods.	Percent positive ratings from School Climate Survey.
The school has a diverse staff and student population with all students and staff participating in diversity appreciation training.	Implementation of effective, relevant professional development opportunities.	District mandatory training report, student acknowledgment form from orientation and orientation agenda.

Goal 5 — To involve all elements of the community in supporting student success and school improvement

Desired Outcomes/Objectives	Strategies	Measurement Indicator/ Evaluation
Articulation/interagency agreements are in place with other community institutions, faith based organizations, groups and agencies.	Create and implement plans for targeted business/industry and community to promote student development.	List and descriptions of agreements and minutes of meetings.
Community and Business/ Industry representatives are actively involved on the School Advisory Council.	Development of strategies with employers.	SAC membership rosters submitted to the Leon County School Board.
To increase prospective and current students morale about their educational experience, while increasing student enrollment.	Increase outreach/recruiting community opportunities.	Student surveys, enrollment reports and number of outreach/recruiting events.

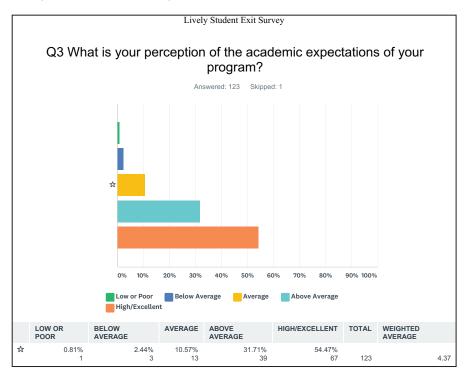

Goal 6 — Increase the efficient and effective use of resources

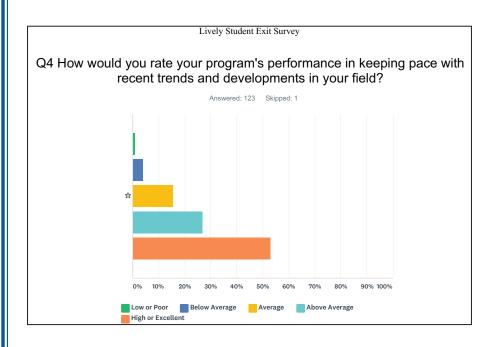

Desired Outcomes/Objectives	Strategies	Measurement Indicator/ Evaluation
Programs address School Board goals and operate within the resources allocated.	Reviewing the LCSB Policies and Procedures.	School and program budgets and final budget reports.
The ratio of support to instructional staff remains proportionate.	Utilization of the evaluation process.	Number of employees listed on payroll.
Workforce funds, grants and other sources of outside revenue are increased or maintained annually.	Application for Post-Secondary Perkins.	District grant reports and local budget reports.
A comprehensive facilities management plan is updated annually.	Review of facilities needs with district personnel; submit annual Capital Outlay requests	Capital Outlay Plan approved by the Leon County School Board Management Plans.

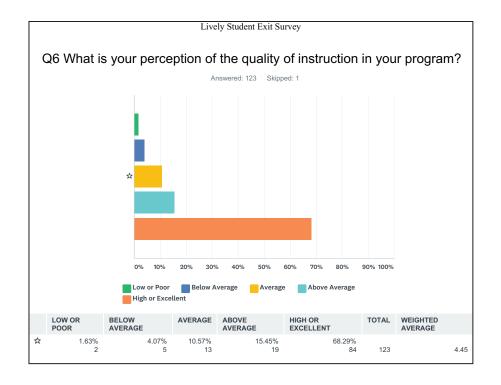

Goals and Results

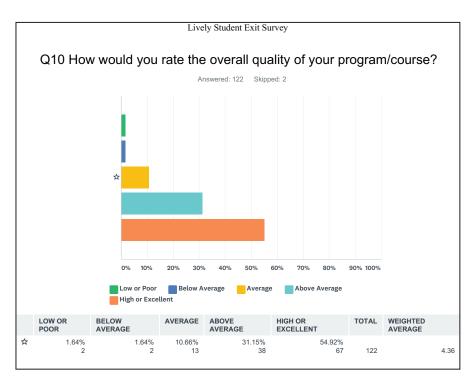

Goal 1 - To prepare students to be successful in school.

Questions & Answers

^{*}All students will receive a copy of the Lively Student Handbook. Students are required to sign the Student Handbook Acknowledgement form which states that the handbook has been reviewed by school personnel and that the students has had an opportunity to ask questions. Additionally, students sign that they are aware of the contents of the handbook and that the contents applies to all students.

Goal 5 - To involve all elements of the community in supporting student success and school improvement.

Capital Outlay Requests 2019-20:

SCHOOL	REQUEST	Recommended Department	2019-20 CO Specialist Comments (Martha)	2019 Department Comments
Lively	Barbering Building 7 - Renovation	Construction	School Plant Survey needed	Not recommended this year
Lively	Welding Building 4 - Enrollment is 100+ but there is only room for 70 - need more stations/booths - priority for school. Remodel space 4B as classroom space Needs more restrooms to accommodate the increased student count - currently on 2 restrooms - What is the status of the room where the darkroom used to be? Safety issue - Not able to use the space.	Construction	will check with Alan Rogers	Not recommended this year Alan said he was told to stop word on old dark room due to lack of funding. Keep room closed to all students/staff
Lively	Remodel Renovate building 3 (cafeteria)	Construction	Needs School Plant Survey	Not recommended this year
Lively	Remodel Renovate restrooms in Buildings 3, 8 & 9 - Maintenance has replaced a few tiles with some that are close to matching but would like floors completely retiled - paint and new stalls	Construction Maintenance	Work Order	Not recommended this year
Lively	Remodel New Flooring Cosmetology Lab - the 3 rooms have 3 different types/colors of flooring - possibly original flooring - Cosmetology Program competes with Aveda and North Florida Cosmetology that have nice facilities - Worst flooring on campus - Building 2 - needs equipment and move walls	Construction Maintenance	Work Order	on flooring schedule
Lively	Security System and Intercom upgrades campus wide - to include ACE, Pre-K and LCVS. One system for all portions of campus. No way to communicate during an emergency. Cannot notify	Safety & Security	Work Order	Safety & Security installing Voice Evac System - Can also communicate via radios
Lively	Alddressogntrances to campulation garking down at	Safety &	Will discuss with	Safety & Security will review
Lively	Photosographsesusdivisity grader Building 4 Brould like to keep the College area open campus but the other programs need to be secured.	Constructýon	Sahotol & Set Suity ey Needed	Not recommended this year
Lively	Replace carpet in classrooms and lab space in Building 15 - Health building	Maintenance	Work Order	Flooring schedule
Lively	Address handicap accessibility issues campus wide - exterior doors not ADA accessible - Some restrooms are not ADA accessible	Code/ Maintenance/ Construction		Submit Work Order to adjust exterior door pressures per Code Dept Restrooms - Not recommended at
Lively	Redo locks on all doors - should not have to go outside to lock the doors - Exterior Doors are safety issue	Safety & Security		this time. Administrator meeting 3/6/19 - instructed to keep doors locked
Lively	Fire Alarm for entire site (including Pre-K, ACE, and Virtual Schools) - Heard that this was funded but still has not been done - It has been an issue this year	Maintenance	Will check on status of project	Fire Alarm is functional - not a priority
Lively	Close in the area at the back of building 10 for Automotive	Construction	Survey Recommendation in progress	Survey Recommendation in progress - will need funding once approved
Lively	Enclose area in building 10 near HVAC and Electrical - Needs additional space - enrollment is up	Construction	Will look at adding to survey that is currently in progress	Survey Recommendation in progress - will need funding once approved
Lively	Remodel old machine shop (07-120) to a classroom - not sure what program will be added there yet - School is adding new programs and will need the space - Not student accessible and no heat	Construction	Will look at adding to survey that is currently in progress	Survey Recommendation in progress - will need funding once approved
Lively	Facility needs to be updated - 5000 people have used the facility since August 1st - Site used for History Fair, Administrative Training, Used by the State and other outside people - Would like for the buildings to look nice	Construction	Will look at adding to survey that is currently in progress	Survey Recommendation in progress - will need funding once approved
Lively	Sinks in Barbering - Some do not work - Maintenance priced it - Said sinks are old and cannot get parts to repair - New Sinks are needed - Sinks are built into a station that may need to be rebuilt in order to add new sinks Roll up door - Building 10 - Doesn't work	Maintenance Maintenance	Work Order	Lively Barbering sinks are not the issue. Rm. 07-104 created work order to replace all faucets. Rm 07-103 faucets are outdated and cannot find repair parts for diverters. Recommend replacing all 16 faucets, presently trying to locate faucets that will work on existing sinks - Work order created #578738 work order

Blue highlight = complete
Green highlight = in progress
Red type = new request for this year

Becki Rutta Professional Development

SPARK Introduction to Entrepreneurship Course Spring 2019

- Jan. 10th-Apr. 25th 2019 Thursday's 6-9
- TCC Center of Innovation
- Students are leaving my Commercial Photography Technology course and beginning their own small photography businesses. My goal in taking this Introduction to Entrepreneurship course was to learn additional tools of success to aide them in the small business industry and better prepare them for success after graduation.

ACA Re-certification

- 11/15/2009-11/16/2019
- Lively PTC Lab
- ACA Certificate earned/Students in Commercial Photography Technology II prep and take the ACA examination. It is important to me to stay current on my ACA certification in order to help exam prep and instruct the students on current practices.

2018 Photoshop World Conference

- May 31st-June 2nd 2018
- Orlando, Florida Hyatt Regency
- My students need to have the most up to date technology training possible in Adobe Lightroom and Photoshop. They additionally need to learn about the most current equipment used by commercial photographers in the profession, where job prospects are and the most contemporary practices that are being used by these photographers. This conference focuses on business/career skills as well as the most up to date photographic software techniques.
