

2021-2022 Verification Worksheet – Dependent Student

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in process called verification. The law says that before disbursing Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent, whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to the financial aid office. We may ask for additional information, if necessary, for clarification. If you have questions about verification, contact the financial aid office as soon as possible so that your financial aid will not be delayed.
