2023-2024 Student Non-Filer Statement

Your FAFSA has been selected for verification by the U.S. Department of Education. Because you have indicated that you have not, nor will not, file a tax return for the 2021 tax year, additional information is required.

IMPORTANT: Complete this form only if you are NOT required to file a 2021 Federal Income Tax Return.

Dependent students: Complete this form if you were employed but were not required to file. You need only complete this statement and provide proof of income (w2,1099, etc.).

Independent students: Non-tax filers must submit a "Verification of Non-filing Letter" from IRS dated on or after October 1, 2021, attesting that you did not file a 2021 IRS income tax return. If you worked in 2021, you must also provide a "Wage and Tax Statement" from the IRS. You can obtain this/these letter(s) at www.irs.gov/individuals/gettranscript or by submitting an IRS Form 4506-T to IRS.

If a W2 or 1099 was not issued, please list the source(s) and amount(s) of all 2021 income. List each employer separately.

If you did not earn income from any source in 2021, mark Not Applicable (N/A) under source and a \$0.00 in amount.
