

RAM Construction & Development is pleased to announce the creation of the RAM *Forward* scholarship through Lively Technical College. We are working directly with Lively Technical College to cover the cost of the 900-hour tuition for the Building Trades & Construction Design Technology course for one student.

We believe Construction is a field that holds immense potential and presents numerous opportunities for growth and development. We understand that the financial cost of technical education can be a significant hurdle for many individuals looking to enter this industry. That's why our scholarship program has been created to support aspiring construction professionals like you.

If you are a dedicated individual who is ready to learn the technical skills needed to excel in the construction industry, we encourage you to take advantage of this opportunity. Our scholarship program offers financial support that can help minimize the financial strain of technical education while ensuring that you have access to the resources and training you need to succeed.

For further details and application directions please reach out to info@ramflorida.com and we will provide all necessary details needed to apply.

We look forward to the opportunity to help you on your journey towards a fulfilling career in construction.

Sincerely,

Paul A. Gleasman

1. Florida resident and Leon County high school senior student within 90 days of graduation. Must show proof of graduation prior to award of scholarship.
2. Student must demonstrate financial need.
3. Participant must submit a brief essay explaining their intended use of the construction skills they plan to develop at Lively Technical College and how this scholarship can help achieve that goal. Additional paper may be attached to complete the essay; not to exceed 600 words, Calibri 12 font.

Application and Essay Submission:

Scholarship application to be submitted via email to info@ramflorida.com

Scholarship Submission Period

RAM will offer this scholarship to one individual within a 90 day period prior to and 30 days after the Leon County Schools annual High School graduation date. The posted date plus 30 calendar days of the Leon High School graduation will be the scholarship application final date of submission acceptance. No applications will be accepted after that date.

Scholarship will cover the cost of:

RAM will pay directly pay Lively Technical College the scholarship student's 900-hour tuition only for the Building Trades & Construction Design Technology course. Tuition will be paid by semester and students must maintain good attendance and academic standing in order for remaining tuition to be paid.

Systematic review process:

- I. Quality Control: In this stage, RAM will review and prescreen applications to make sure they are filled out properly and meet scholarship requirements.
- II. *Select the Finalist*: RAM will select qualified applicants whom deliver the most compelling essay.
- III. *Evaluate the Finalist*: RAM will appoint 3 application reviewers known as the “Review Committee” to score the “Finalist” applicants submission with a scoring range of 1 to 100 points based on responses to the following items below. These scores will be averaged and the applicant with the highest score will be awarded the scholarship.

Evaluation Score Sheet Criteria (Scored 1-100 points)

Financial need for scholarship

A cohesive and compelling narrative
